

God is alive, real and you can definitely meet Him on earth as I have. If you simply seek God diligently He will come to you. This isn't a joke to waste your time. Bible says we are spirit soul and body. The body gets old, and as a result, spirit will leave the body when the body dies. When your spirit leaves your body, God who created you will judge us according to our deeds. God has made this world with all its laws and ways. He also created the moral laws and wrote them in our hearts. For example when you lie or steal you feel guilty and you know it is wrong not because you were told it was wrong but because you know it from your conscience. God says anyone who lied is a liar, and who stole is a thief, who lusted in their heart is an adulterer and is unrighteous. Anyone who dishonors their parents and does not Love God, or even hate someone committed murder in their hearts and they are murderers, traitors, who deserve punishment, and is unworthy to come to a God who is completely Holy Who cannot be with an evil person. To be cleansed from this unworthy evilness, God says sins can only be paid off by their life, Someone's blood that has never committed sin. There's no way you can pay for your own sins and be atoned righteous because we sinned too much. No amount of giving, or righteous living will get

you into a Holy Presence of God which is Heaven. That is why God who loves you So Much as His Child has sent His own Son, His Word He sent to die for our sins, for the World was created and built upon God's Laws which was spoken by His Word.

His Word became flesh a living man out born of a virgin to take away the sins of the world all the way to Adam & Eve! He was cruelly crucified and bled to death for us, our sins So that whoever repents of their sins, believes on His name and His work, those who afterwards choose to follow God after believing will enter into eternal life.

To enter Heaven, 1. You must believe in Jesus Christ the Word, the Son of God as your savior for He was crucified for our sins and God resurrected Him because He was righteous. 2. Repent of all your sins. To know what to repent for Sit down quietly for 5 to 10 minutes asking Holy Spirit to reveal your sins. When God shows you your evil past then repent of those every single ones and forgive others. 3. Get baptized in water as a sign of you being dead to your own evil ways. Ask God to lead you and He will send someone to you. 4. Seek God and ask God to baptize you with Holy Spirit (it took me 1 month of seeking God with several Fastings) 5. You need to Grow as a tree becoming mature.
